**Pulmonaria**

'Raspberry Splash' is a sun-tolerant hybrid with profuse flowering. Dusky, raspberry-coral flowers arrive in early spring over silver-marked, sharply pointed, upright foliage. Hardy to Zones 4 to 9, this variety prefers full sun to partial shade.

Terra Nova Nurseries, Inc.

**Dianthus**

The drought-tolerant 'Little Maiden' is bred to be more compact with denser cushions than the common dianthus. The thin, grasslike leaves have a slight bluish hue and are topped with dozens of pure-white, fringed blooms on short (4-inch) stems. This variety is winter hardy to Zone 3.

Jelitto Perennial Seeds

**Erodium**

'Bishop's Form' is an alpine perennial with masses of flowers from spring to fall. With a cushion-forming habit, this variety is suitable for rock gardens, combinations, borders and groundcovers. Hardy to Zones 7 to 10, 'Bishop's Form' prefers sunny areas and partial shade.
