Habit: Mounding

Diseases: Root rot may occur with excessive soil moisture. Powdery mildew, rust, and leaf spots may occur.

Day Length for Flowering: Day neutral

Do NOT bury the crown of the plug

Description

Mid-sized leaves of glowing wine red make a gorgeous medium size mound. These are topped with bicolored pink and white flowers on dark red stems. Foliage turns a little browner in the winter, but otherwise holds its wine red color. Blooms continuously spring, summer, and fall like H. 'Paris'. You'll need to call the Fire Chief when you see this one!
