

Growing Recipe

SEDUM EVOLUTION™ 'PURPLE CRUSH'

EVOLUTION™ SERIES

Approximate Finish Time From Liner

□ = Minimum □ = Maximum

pH: 5.8 - 7.2

Fertilization Recommendations: 75 - 100 PPM

EC: 0.6 - 0.9

Light Levels: Full sun

Water Requirements: Dry moderately between waterings

Hardiness Zones: 4 - 9

Possible Problems: Insect: Aphids are possible
Diseases: Fungal problems can occur if provided poor drainage

Habit: Clumping, upright

Day Length for Flowering: Long day

Description

Multiple crowns of upright foliage are tinted purplish-blue and turn to a shimmering emerald-green in the summer sun. Deep pink flowers top the plant in mid-July and shiny red seed heads extend the period of interest. This compact grower fills a gallon pot quickly and is great for mixed containers, borders, or mass plantings. Likes full sun and good drainage.
