

Heuchera Fyre Wing™

Dragons of the Lace Crown

Hematite - Dragon of Earth & Ember

(Brick Red / Oxblood)

Forged in iron-rich earth, Hematite stands firm where other falter. His wings burn with restrained fire, tempered by clay and ember.

USDA Hardiness Zone(s): 4-9
Size (H/W/FLH): 6" / 11" / 10"
Exposure: Full Sun, Part Shade
Bloom Time(s): May, June
